## **Foundation Duties and Goals**

**Bill** – Chair is responsible for working with the club to meet the 2007 – 2008 goals provided to Rotary International at the beginning of the term. We have projected \$100 per person but would like to add 10% to that this year. We usually meet the goal by using club funds. This year I will propose to the board that during happy dollars we remember that 30,000 children die each year and one of Rotary International's goals is to provide clean water, sanitation and medicine to areas where ever possible. An extra dollar at happy dollar time will go toward foundation.

**John** – Co-Chair is responsible for helping meeting the 2007 – 2008 goals provided to Rotary International at the beginning of the term. If there is any way to increase the amount and add to that some grant money on a specific project that would be helpful.
